Present: Betsy Hoshaw, Moderator, Marcia Grant, Carol Podwell, Rick Maughmer, Nancy Phillips

Due to inclement weather, the February Council meeting was canceled. A special March meeting was called to discuss the elevator project. Since there were not enough members in attendance to conduct any business, Betsy will notify Jerry Caylor and Pastor Tice the following recommendations that were discussed:

- 1) Recommending that Phase 1 consist of the installation of an elevator and the renovation of the Lobby Area.
- 2) Phase 2 - Recommended the Sanctuary area changes be made after input from the congregation.
- 3) Recommending that the Capital Funds Drive start as soon as possible.
- 4) Recommending that the Finance Committee provide \$150,000 funding for the elevator project.

Respectfully submitted, Marcia Grant, Church Clerk
