Visitors to the Church:

Karen's friend, Janet
Gibsons
Chris Pllummer
Elder John Bronson

Small Groups - the first week Jon will explain the format:

- Continue 10 – 10:35 a.m. format in Pilgrim Hall
- Invite people who want just to visit to go up to the Lounge etc.
- Discussion questions will again be pre-printed in the Pilgrim Call so they can be studied ahead of time.
- Evangelism Ministry members should spread out to cover as many tables as they can. This should help to tell how discussion is being facilitated.

Jon's Goal = is to encourage multiplying - He has a Series called Foundations

1. He would have the element of "multiplying" in the sermon.
2. Group could have the burden to pray for specific people.

*** Goal - is to build relationships with people

- a. Discuss in the group the question.
- b. Then use that to get together with someone on an intentional basis.

c. It is about intentionally engaging people in discussion.

Other Bible Study Opportunities

1. Some people would like to see Bible study groups formed and taking place in the homes.
2. Jon said these groups could last anywhere from 4 – 6 weeks in duration.

Care Calling:

We need to continue calling members of the church to check on those who have not been coming, to answer questions, and to keep everyone updated on the progress being made at the church.

Nancy will type up the list and Jon will give us advice on how the calls should be conducted.

Anyone interested in helping with the calls should contact Nancy in the office.

Mugs for Visitors:

Hal volunteered to put the mugs and candy out in September.

The next Evangelism meeting will be held on October 8 at 6 p.m.

September 7 - people are needed to distribute flyers to flood victims homes

Sept. 15 – Involve Sunday - workers are needed to prepare and hand out food.

Respectfully submitted,
Carole Podwell, Secretary
